## ATL WEST PARKING DECK EBO NEWSLETTER

### INFORMATION SESSION/ MEET AND GREET HELD JUNE 6, 2017

#### JUNE 2017 ISSUE 2

#### Page No. / Content

- 1 Information Session Update
- 2 Bid Packages, Prequalification Process, EBO Commitment
- 2-4 Attendees

Holder-Austin-Moody-Bryson, a Joint Venture (HAMB JV) is the Construction Manager at Risk for the ATL West Parking Deck. The ATL West Deck is a critical enabling project for other construction projects at Hartsfield Jackson Atlanta International Airport (HJAIA), including the Domestic Terminal Parking Deck Reconstruction Project, which is located on the West side of the airport between CONRAC and the GA International Convention Center (GICC). The project includes over 5,000 parking spaces totaling in excess of 1.8 million square feet. In addition to the Parking Structure, there will be a Pedestrian Bridge to connect passengers to the existing APM Station near GICC for transfer to and from HJAIA. There will also be an access road constructed connecting the ATL West Deck to RCC Parkway.

The team presented updates and other pertinent information to approximately 80 attendees, which included Trade Contractors and Vendors that perform Concrete, Structural / Miscellaneous Steel, Mechanical, Electrical and Plumbing. The session was held from 2:00 until 4:00 PM at the Department of Aviation Tech Campus located at 1255 South Loop Road, College Park, GA 30037. The session included an overview of the Parking Deck contracting opportunities, the importance of registering with the City of Atlanta's Equal Business Opportunity (EBO) Program (Mayor's Office of Contract Compliance), Joint Venture requirements, HAMB JV procurement, prequalification process and trade packages. Afterwards, the Information Session/ Meet and Greet attendees had an opportunity to network with other

subcontractors and vendors; as well as with the HAMB JV Team to discuss specific project opportunities. For your convenience, the presentation that was conducted is now accessible on the website under the Bid Packages Updates tab.

### [Bid Packages](#)

Below is a synopsis of the remaining tentative bid package. For further details, please visit the website at [www.hambjvteam.com](http://www.hambjvteam.com). Please continue to check the website for progress and updates.

Tentative Bid Date	Trade Contractor Bid Packages
<i>August 31, 2017</i>	<p style="text-align: center;"><b>IFC Documents</b></p> <p>Masonry, Drywall, Fire Protection, Exterior Skin, Specialties, Parking Control Equipment, doors/frames/hardware, ornamental metals, interior glass, millwork, site security/fencing, loading dock equipment, signage, carpet/tile/flooring, hardscape/landscape, roadway/bridge work, asphalt paving and striping, paving, waterproofing (below and above), painting, roofing, interior glass, roadway/bridge</p>

### [Prequalification Process](#)

All interested Subcontractors and Vendors must submit a Prequalification Statement to HAMB JV. Please visit the website at [www.hambjvteam.com](http://www.hambjvteam.com) to obtain the Prequalification Statement. Each submitting firm will receive an acknowledgement of submission and receipt from HAMB. Thereafter, the Prequalification Statement is accessible to the HAMB Preconstruction Department. If additional information is needed, you will be contacted directly. Based on the information submitted on the Prequalification Statement, the prequalification level is determined on each applicable bid package. Available opportunities for each package include prime subcontracting, sub-prime subcontracting and subcontracting joint venture candidates.

### [Equal Business Opportunity \(EBO\) Commitment](#)

HAMB is committed to maximizing local and equal business opportunities in accordance with the City of Atlanta's Equal Business Opportunity Program. The project has a minimum goal of 30.5% FBE/MBE participation. All minority and female business enterprises are encouraged to be certified by the City of Atlanta's Office of Contract Compliance. All minority/female owned firms are encouraged to submit a Prequalification Statement, regardless of the firm's size. HAMB encourages firms to form Joint venture or mentor/protégé arrangements with firms certified in the City of Atlanta's EBO Program. These partnerships will be considered as part of proposal evaluations.

### [Company Attendees](#)

For your convenience, a complete listing and contact information of the attendees has been uploaded to the website under the bid package updates tab and is also attached to this newsletter. Please note, all representatives from each company is listed. HAMB respectfully requests that each firm review your contact information and let HAMB know of any necessary corrections.
